You are the light of the world. Let your light so shine before men, that they may see your good deeds and praise your Father in heaven. Matthew 5:14-16

THANKSGIVING

You have been in our prayers this month as we continue to work and minister here in Haiti. Through the struggles and hardships, we know that God provides and sustains his children in His Perfect Love and Way. **We could not live and work here in Haiti without your support and prayers.** You are *God's Love in action* to our family. We praise and thank Our Father for connecting us with you. It is our hope, that in these monthly letters, that you feel connected to us and the people that are being ministered to through the work here in Cazale. We encourage you to continue to lift us up in prayer. There are some real and heavy attacks from satan coming in around us on all sides. ***Stand with us in prayer! Call on your church to lift us up to the Master.*** Pray for God's Light to shine and illuminate all areas of corruption and darkness. Pray that the Lord will give His children strength to stand in the

midst of the battle. Pray that God's Will is done and that His purposes are achieved. *Blessed is the Lord!* Even at the mention of His Name, things must come into order. *His Name is Holy! His Name is Powerful!* We should be in a constant state of wonder in His presence, shouldn't we? What marvelous and glorious works He has planned for us. We might not what tomorrow will bring, but we know He will be by our side. Have you ever seen a child's first visit to the circus? Have you accompanied a toddler to watch his first parade? Children are full of awe and wonder at each new sight. Some items can hold their attention much longer than an adult. They are amazed at some of the simplest things that we take for granted. As grown-ups, sometimes we have just gotten comfortable with going to church every Sunday. *Do we really concentrate during our prayers to listen to what God is trying to show us? Do you really understand and grasp each word when you sing "Amazing Grace"?* His Grace is amazing! He still talks to His Children! There is strength in a body of believers! I'm seeking to develop the heart of a child. I'm not saying I want to return to the things of a child like crying, pouting, mushy baby food, or dirty diapers. But didn't Jesus say, ***"I tell you the truth, unless you change and become like little children, you will never enter the kingdom of heaven."*** (Matthew 18:3) Why do some search for the newest gadget? Why do others want to follow the latest fad? Why do teens hunt for a next greater craze to astonish them? There are so many simple and fundamental truths, principles, and promises that God has for His children. We only need to seek Him and not the things of this world. **We need to stand in wonder of His creation. We should be in awe of His Presence and His Power. We need to be filled with wonder for our Wonderful Savior.** He died and paid a price we could not pay. He loved us, even unto death on a torturous cross, so that we could be with Him for
