

HELLO FROM HAITI

Isaiah 58: 6-7

I want you to remove the sinful chains, to tear away the ropes of the burdensome yoke, to set free the oppressed, and to break every burdensome yoke. I want you to share your food with the hungry and to provide shelter for homeless, oppressed people. When you see someone naked, clothe him! Don't turn your back on your own flesh and blood!

THANK YOU FOR ALL OF YOUR SUPPORT, DONATIONS, AND HARD WORK TO KEEP THE MISSION SUPPLIED FOR THE COMING YEAR! IT'S ONLY WITH YOUR HELP THAT THE LOVE AND LIGHT OF THE LORD ARE SPREAD TO THE NATIONS.

MESI!!!!

THANK YOU!!!!

We want to thank each and everyone of you for your prayers and support for the mission work here in Haiti. It is only by the Grace of God and your help that we can continue to do all that we do and reach as many as we do for His Glory. Proverbs 28:27 says, "He who gives to the poor will lack nothing." That's a strong and wonderful promise that the Lord has given to us. As we love our neighbor with the love of Christ, it should only be natural to want to help fill his needs and show him real love and hope. Thank you so much for that active love displayed to the Haitian people.

Send a Pallet of Supplies to Haiti for \$250

The storage units in Indiana are FULL with medicines, food, clothes, pill bottles, sewing materials, shoes, and other supplies. We usually ship one semi per year, but this year our supplies are overflowing. This is a **GOOD** problem to have! We are amazed and grateful for the continually donations for Haiti even when we aren't in the states to receive it all. Many volunteers put in countless hours to make everything run well stateside and we are so grateful. Now, we just have to get these supplies to those in need in Haiti. If enough funds are raised, we are hoping to ship **one semi in the spring and one semi in the fall**. The **SPONSOR-A-PALLET** drive was a huge success last fall and we would like to try this again. If you or your church would like to sponsor the shipping of a pallet of supplies, **please consider donating \$250**. Thanks!

To God be ALL the Glory!

Every spring, Zach goes to around to different churches to preach and share in the activities of RHFH. Here is the spring schedule:

- | | |
|------------------------------|--|
| March 30
10:00AM | Hickory Grove Church
Delphi, IN |
| April 6

Needed: TRUCK

The mission is in great need of a **Toyota, heavy duty, 4x4** truck to transport medicine, haul supplies, distribute humanitarian items, pick-up donated items, run errands, and get around the country. We have received **\$3285** out of the **\$40,000** needed to purchase the truck in Haiti. Many thanks to Hickory Grove Church for their efforts in raising these funds. We are still seeking donation and appreciate your generosity.

Medical Visas

Often, sick children cannot find the medical care here in Haiti that they need to survive and be healthy. Sonel (club feet) and Alex (encephalocele) will be going to the US for treatment and surgery this spring. We want to thank The Medical Advocacy Team www.medicaladvocacyteam.blogspot.com for all of their hard work to arrange care and host families. A big thanks to all those that donated funds for their paperwork, passports, & travel.

Alex

Sonel

Romance on Lake Grapevine

We are so excited to report a great success with this fund raiser. Over \$7100.00 was collected for RHFH by Graham and Scarlett. Thank You So Much!!

Volunteers & Visitors

With the help of a wonderful work team from **Hickory Grove Church** in Jan 28-Feb 4, we were able to get the clinic back in working order, put the roof back on, clean, organize, build shelves, build the laboratory room, have VBS, and get the January newsletter out. Whew! This team really pitched in and worked hard. A big thanks to them all!!!!

Laura was able to come Feb 28 to March 8. She is a Physician's Assistant and was a great blessing to us in the clinic work. She is continuing to give information and education to the us and the nurses. We are so happy to meet new friends that love Haitians.

The **ACWAM (Active Christians With A Mission)**

work team visited March 2- 9. There were many medical professionals on this team that were able to impart good health information and techniques to the clinic staff. They lent their hand in many areas and we are grateful for their trip. The laboratory was set up, shelves built, supplies purchased, and opened for testing. This is a huge project for our clinic and we thank all those involved that are helping to make this a reality.

Jason and Kristy came March 16-23 to see the twins that they are adopting, see Haiti for the first time, and help out where ever possible.

A gift of \$80 bought 10 tools (picks, shovels, machete, rake) to help a community group that is building a road to their village. This is still a current need.

Smiles!

Cleft lips and palates are congenital defects that are often unable to correct in Haiti. For many years, there have been a limited amount of resources for these people to get help. Operation Smile came to Haiti in March and we were able to send 5 of our patients to them for surgery. The results are amazing and these patients are improving daily. Thank You to everyone involved!!
