

HELP FOR HAITI

FROM THE ZACHARY & BETOR FAMILIES **SEPTEMBER 2000**

*and when you see the naked to
clothe him."*

consider your donations and service as giving unto the Lord. He will give back to you abundantly and overflowing.

HEY EVERYBODY !!

Greetings in the name of Our Lord and Savior!! The Lord is moving in these last days. We are so blessed to be His Hands and Feet in such a time as this. Whether planting a seed, watering it, or harvesting it; you are playing a part in the ministry here in Haiti. We have over 350 people now on our mailing list. Thank you for the support, prayer, donations, boxes, encouragement, letters, fellowship, and friendships that each of you have given and continue to give. You are equipping us to touch many lives as we continue to work here. We are so encouraged by your interest in Haiti and how the "rest of the world" lives. Haiti is just one small place in God's world, but he loves and cares for each of them as he loves and cares for you. You could have been born into any country or situation. God's plans are perfect - He placed you and is guiding you to do His perfect will for your life. The blessings of America are nice to enjoy, but even more rewarding when you share them with others.

Please prayerfully read and consider the following needs and information. Any help you could give us would be a great benefit in touching more lives for Christ. Remember the words of Jesus in Matthew 25...

To the extent that you did it
unto the least of these
my brothers,
you did it to Me.

Let's continue to give, love, share, and do just as we were doing for and to the Lord. It is in His Name and for His Glory that we giving our lives in order to reach, touch, and change the lives and souls of Haiti. Please

Coming to the U.S.!

Zach is coming home September 23 and will be traveling & working in the States until November 6th. The primary purpose is to gather and load a semi-container of supplies for our ministry here. He also has other business to complete and will be available to speak at churches.

Everytime we do a container, it is a huge amount of work. This time, because of needs existing here, Zach will be alone as the rest of us stay in Haiti to continue clinic and oversee other aspects of ministry.

As always the needs are great here and conditions continue to deteriorate. This week all gas stations are closed and a general strike is underway where all schools and businesses are closed. The country is basically shut down in protest of high fuel costs. We purchase medicine here each week for clinic. For the last 3 weeks every item has increased in price weekly.

We told everyone in the spring when we were in the States that we were coming back in October. We know some people and churches have been faithfully gathering items. We'd like to ask others who can to join in this venture. Consider giving to Haiti. Maybe you have friends or family

*Isaiah 58: 6,7 "Is not this the
kind of fasting I have chosen:
to loose the bonds of
wickedness, to undo the heavy
burdens, to let the oppressed go
free, and that you break every
yoke? Is it not to share your
food with the hungry, and too
take in poor who are cast out,*

that would be interested in donating. It is sure to be a blessing for so many.

LOAD IT UP!

When supplies are low, we depend on donations from you. All items have to be shipped down to Haiti. This can be done in several different ways, but the most cost effective is loading a semi-trailer and shipping it on a boat. This requires much work, but is worth it in the end. Remember we can ship items for pennies a pound in a container as compared to several dollars a pound for mail and air transport. Everything needs to be received and loaded by **October 20th** so that Zach can drive the trailer to be placed on a boat for shipment.

PACKING AND LABELING...

As you pack your boxes, we need you to make a list of the items enclosed. Put a list on the outside and give Zach a copy of the same list. It would be nice if you would put your name or church's name on the boxes so we can thank you and give you some feed back.

If you can complete this step for us it would save so much time and work if each group or individual could include the list for each box. We need to have a general manifest to give to the customs agents here. As they inspect, they will pick out a few boxes at random. If the contents match the manifest, they will allow the whole load to pass without opening all of the boxes. Folks, we've had every box opened before - it's very time consuming and messy as they drag stuff out of boxes and just leave it piles. What would only take a few minutes on your part could save us hours and headaches once the container arrives in Haiti.

Thank you in advance. As an example you could list it...

6 dresses
2 packages of barrettes
1 package of diapers
1 towel
soap, shampoo
plastic grocery sacks

We need people to help financially with this project too. It will cost \$10,000 shipping and customs. There are many many materials such as medicine, lumber, plywood, etc. that will need to be bought. The needed items for crusades will need to be purchased if not donated. Here we need anywhere from \$10,000 to \$20,000. We don't like to talk about money, but it takes funds to continue the work here in Haiti. We appreciate your one-time gifts for special projects. We are also needing people, families, and churches to pledge and faithfully give monthly. It is from our monthly support that we are able to budget payroll, schooling, medical needs, car maintenance, benevolence, etc. If you would like to give on a monthly basis, just send it through the mission headquarters in Laurel, MS - (address is on the last page).

A THOUGHT FROM ENOCH.....

Uncontrollable anger can destroy love. Learn to make your anger a tool to resolve problems rather than let it become a problem itself. Don't let anger build inside until you explode. Handle each day's disagreements that day. I build my life up everyday with this thought and it is a pleasure for me to share it with America today, especially with you hard workers for the Lord. This verse is for you...

He that is slow to anger is better than a mighty man, and he that is controlling his spirit is better than the one capturing a city.

PROVERBS 16:32

Licia says HI!.....

Well, we have been married 3 months now and already have 4 kids! We invited Kattianna into our home in July. She had stayed with Mom & Lori for a few weeks, but needed some extra TLC. She is truly a Zachary now, with her big belly! Her mom sent word that she did not want to take her back, so we are praying about what to do. She's 2 1/2 yrs old and just learning to walk. She is underdeveloped because of malnutrition. Vierna has been here 3 weeks now. She is 2 years old and weighs 11 pounds! Mariciane is almost 3 years old. She needs lots of prayers and love as she seems very abused.

Married life has been good for us. We really enjoy spending time together and not having to say good bye at the end of the day as we had to for 5 years. Carmelo has been a great joy to have. He always keeps us busy. He started kindergarten this month and loves it so far. Well, please remember us in your prayers. Luv U!

DONATIONS DUE BY OCT 20TH FOR SHIPPING ON THE SEMI-TRAILER

KIDS---

WE KEEP CHILDREN OF ALL AGES IN OUR HOME WITH US. SOME HAVE BURNS, MANY ARE MALNOURISHED, SOME NEED TO GO TO THE STATES FOR SURGERY THAT IS NOT AVAILABLE HERE. KEEPING THESE CHILDREN IS A WONDERFUL BLESSING FOR OUR FAMILY. MANY HAVE BEEN NEGLECTED AND ABUSED. IT IS SUCH A JOY TO SEE THESE CHILDREN FILL WITH LIFE AFTER THEIR BELLIES ARE FED AND THEY ARE GIVEN THE LOVE ALL CHILDREN NEED TO THRIVE. WE'VE HAD 45 KIDS THROUGH OUR DOORS SINCE WE'VE STARTED AND CURRENTLY HAVE 8. THIS HAS GIVEN US A NEW PROBLEM AS WE NEED ITEMS FOR THEIR CARE. IF YOU CAN DONATE ANY ITEM, IT A HUGE BLESSING AND HELP.

DRESSES---

IT'S TIME FOR FALL CLEANING. AS YOU CLEAN AND REORGANIZE YOUR CLOSETS AND DRAWERS PLEASE THINK OF THE PEOPLE IN HAITI. WE NEED DRESSES FOR PREGNANT WOMEN. MANY OF OUR PATIENTS ARE VERY POOR. WE'VE SAID MANY TIMES PEOPLE ONLY HAVE THE CLOTHES ON THEIR BACKS. I GET A REAL REVELATION OF THIS AS I SEE A PREGNANT LADY COME TO CLINIC EACH MONTH IN THE SAME DRESS. AS SHE GROWS WITH CHILD SHE LETS THE SIDE SEAMS OF HER DRESS OUT TO MAKE ROOM FOR THE BABY; OFTEN THE DRESS IS LEFT SEWN ONLY AT THE SHOULDERS. AFTER GIVING BIRTH SHE WILL SEW THE DRESS BACK UP. OFTEN THE CLOTHES ARE NO MORE THAN RAGS. I LONG TO GIVE THESE LADIES A BLESSING OF A NICE DRESS. DO YOU HAVE ANY HANGING IN THE BACK OF YOUR CLOSET? WHY NOT PUT THEM IN A BOX AND MAKE A DIFFERENCE IN SOMEONE'S LIFE.

SOUND EQUIPMENT FOR CRUSADES---

HOLDING A CRUSADE IS EXPENSIVE, AVERAGING AROUND \$5000. THAT COST WOULD BE CUT ALMOST IN HALF IF WE COULD GET EQUIPMENT DONATED INSTEAD OF RENTING IT.

KIDS To The STATES

We would appreciate your continued prayers for the children we are trying to get to the States for operations and treatments unavailable here in Haiti. Two of the kids on the waiting list have died. We have others in desperate need. God has opened this door and it will be a blessing to so many. Please pray that God will put things together quickly and in order. If you are interested in hosting a child or donating funds, please contact us.
