

PRAYER REQUESTS

“And my God will meet all your needs according to his glorious riches in Christ Jesus.”
-Philippians 4:19

Let us all draw near to the Lord and cherish sweet conversations. Worship Him and acknowledge His awesome power. Rest in His presence and let Him encourage your spirit. Though we give a list of possible prayer requests, just don't run down through them as a checklist. Allow yourself time to be directed as the Holy Spirit speaks. We stand in faith together believing that the Lord will reign in Haiti. Make sure to notice the PRAISES section and be encouraged God is hearing our prayers.
