

RHFH PRAYER REQUESTS

"The greatest thing anyone can do for God or man is pray."

S. D Gordon

A new year. A new decade. A decade dedicated to prayer. Prayer is the foundation of all that happens in and through Real Hope for Haiti. We are thankful for your willingness to go to the Lord on behalf of our organization and the people we serve. Life here is tough and the work we set our hands and hearts to is full of challenges, but where else should we turn except to the Lord our God.

Here are some ways you can pray for us and the people we serve this month:

1. Pray for continued peace in Haiti and clear pathway for President Moïse to lead the country towards a better future and clear communication regarding rescheduling elections and getting a functional government in place. Pray the decision makers in Haiti would prioritize what is best for those most marginalized and hurting in Haiti.
2. Pray for our founder, Zach, and his wife Lorraine, as they endure some of the hardships associated with Lewy Body Dementia and the challenges that brings. Pray for favor as they coordinate Zach's care and for Lorraine to continue to take wonderful care of Zach during this difficult time.
3. Pray for new staff we are adding to begin the year. We have added some support staff in the office, three new chaplain apprentices, and we have a Haitian doctor soon graduating medical school that will be with us for the month of February. Pray we are able to integrate these individuals and their unique giftings into our organizational culture to make our team even stronger and our impact greater. The Haitian doctor coming to spend a month with us could be an answer to the prayer we asked you to pray for us last month!
4. Pray for our staff to have united vision, clear goals, and effective communication within our team.
5. Pray that our organization could gain some direction and momentum in gaining recognition with the Haitian government.
6. Pray that we would find water when we drill for water on the new land later this Spring. This would spring (pun intended) forward the development of new facilities. Pray the right people and right plans to be in place to help us with this massive project.
7. Pray for all of us to treasure Christ above all and trust in Him alone so that we are full of His Spirit and prepared for His service.

Some specific prayer requests from patients at RHFH:

1. N.P. She has diabetes and is asking for prayer that she would not have complications and would be able to manage her treatment well.
2. G.J. Would like prayer for deliverance from attacks from Satan and many problems with discouragement in his life.
3. T.M.R. Asks for prayer that God would break the barricade keeping her from advancing in life.
4. D.G. Desires intercession for deliverance for her child who is sick and in need of healing.
5. L.M.M. Is seeking prayer for freedom in her life from difficulties that prevent her from walking in freedom.

And please remember, we would love the opportunity to return the blessing and pray for you. Please send prayer requests to prayer@realhopeforhaiti.org and we will lift these up to our Lord each Wednesday night at our staff devotion.
