

RHFH PRAYER REQUESTS

"Prayer girds human weakness with divine strength, turns human folly into heavenly wisdom, and gives to troubled mortals the peace of God. We know not what prayer can do."
Charles Spurgeon

Ways you can pray for our patients:

1. M.E. asks for prayer because he is having bad dreams and feels the enemy is attacking him.
2. F.M. would like prayer for a project he wants to see come to fruition but it appears blocked. He is putting it before the Lord and asking you to support him in prayer.
3. J.I. has been sick and in pain for some time and requests prayer for healing.
4. D.W. is having significant family issues and divisions and is asking for prayers for unity and restored relationships.
5. P.M. believes Satan is persecuting her and is asking for prayers that she can live well and is asking God to liberate her from bondage.
6. A.C. asks for prayer for healing due to chest pain and knows God can heal.
7. L.S. asks for prayer for healing and restoration for her husband.
8. V.M. asks for God to give her a stronger spiritual life and transform the lives of her children.
9. J.J. would like prayer for healing for all of his family.
10. G.G. believes God can heal and is asking you to agree with them for healing in their body.

Ways you can pray for our work:

11. Pray for the community health workers that RHFH has mobilized to provide education and screening for the prevention of COVID-19 in Cazale and the surrounding communities. Pray for their effectiveness and endurance.
12. Pray for several precious young babies with cleft palates we are working to help get corrective surgeries.
13. Pray we continue to strengthen our organizational health through clearer communication.
14. Pray for the development of the new land/ new facilities. We all want this to happen, but the reality of the work here is that there are always acute needs we are dealing with so it is a challenge to look to the future. Pray we will be able to plan and prioritize this project.
15. Prayers of thanksgiving that, despite the uncertainty and economic challenges presented by COVID-19, God continues to move the hearts of people to support the valuable work we do for the kingdom of God and for the betterment of the Haitian community in which we serve.

Ways you can pray for our missionary staff:

16. Prayers of praise that Lori and Charly were able to return to Haiti in July after the Haitian airports reopened. Pray they can find their groove once again here in Cazale and continue to make and impact for Christ.
17. Prayers for the Betor family as Henley is scheduled to relocate and complete his senior year of high school in Minnesota. Plans are complicated right now because of the uncertainty associated with COVID-19 and the plans of the public school system in MN this fall remain fluid. Pray for wisdom and guidance and the Betor's navigate this season.
18. Pray for Zach and Lorraine as they manage his care and work hard to keep him safe and healthy.
19. Pray for Anna as she is with her family in Alabama and preparing to teach our children for another year when she returns in September.
20. Pray for Casey and Briana as they travel to Washington for a break in August to reunite with the children who have been with Briana's parents for the summer.

We are grateful for your love and prayer support this month and throughout the years. We pray you feel the nearness of God this month and if there is anything we can take before the Lord on your behalf, please do not hesitate to let us know how to pray for you by emailing us at prayer@realhopeforhaiti.org.
