Prayer requests for our work:

13. Pray for us as we navigate some major changes to one of our programs before year's end.
14. Pray for peace in Haiti and a functional government that wisely, and selflessly, helps move Haiti forward towards progress and economic stability.
15. Pray for our board members to have wisdom in their leadership, evaluating current programs and impact of RHFH and planning for the future impact we can make.
16. Pray for our new Haitian doctor we have on staff, to learn our work culture and the community we serve, ultimately helping us build a stronger team and continue to strive for the best outcomes for our patients.
17. Pray for God's provision for us. Due to drastic drop in exchange rate for US dollar, we exceeded our normal budget by quite a bit in the last month. Pray that the rate would stabilize and/or prices in Haitian gourdes could come down to balance it out so we can continue to function with our programs at full strength.

Ways you can pray for our missionary staff:

18. Pray God would give provide joy when the work makes our hearts feel sorrow, and that He would provide us with persevering strength when our mind and bodies feel weary.
19. Pray for clear direction, communication, and vision as we seek to develop a plan for building/expanding on the new land.
20. Pray for our families and our homes, that they would be healthy and whole and covered by Christ.
21. Pray for Lorraine and her daughter Emily as they continue to care for Zach and manage his health and some of those challenges back in Minnesota.
22. Pray for our teacher, Deanna, who is currently in Alabama supporting her family for a season. Pray for her and our kids to do school at a distance.
