Prayer requests for our work:

11. Pray for Jalot who needs an additional corrective surgery for his foot. We are grateful for many who donated to fill this financial need. So pray the Lord blesses those who gave and enables the surgery to go well and a wonderful outcome for Jalot and his continued recovery.
12. Pray that Roberto would continue to recover, gain strength, and grow healthier as he recovers from surgery.
13. Pray for multiple cleft palate kids who received surgery in September and are having additional procedures done this month.
14. Pray for potential development plans for the new property that are coming together for 2021. Pray for water and infrastructure to come together and great interactions with our board and staff as we finalize and communicate plans to all of you.
15. Pray for our safety as kidnappings have increased in Port au Prince and political instability is rising. Pray for peaceful pathway towards a better and brighter future for the people of Haiti.
16. Pray for a large load of supplies that is scheduled to be delivered to us at the airport in Port au Prince by the US Military on December 17.
17. Pray for some of our staff that lost their jobs as we closed our Cholera Treatment Center as that program has come to an end. Thrilled and thankful Cholera is not taking lives in Haiti and grateful for our staff's work in eliminating the threat it caused, but with no active cases in the country, we came to the decision to end the program at the end of November 2020.

Ways you can pray for our missionary staff:

18. Pray for our teacher Miss Anna who continues to be away from us caring for her family in Alabama. She is awesome and we miss her!
19. Pray for our marriages and our children. We have a lot of overwhelming and difficult work to do at clinic and in the Rescue Center. Pray God helps us prioritize our responsibilities well and protects our families from attacks of the enemy. Pray for us to cherish moments and treasure all God has entrusted to us.
20. Pray for a possible addition to our foreign missionary staff next spring as we are in discussions with a nurse from Canada who desires to come and serve at Real Hope for Haiti.
21. Pray for the Zachary family as they will be taking a break in Washington state in the latter part of December.
22. Pray for the Betor family as Licia, Henley, and Ameyah will be traveling to Indiana to set Henley up in school where he will finish high school this spring in the USA.
23. Pray for Lorraine and Zach to enjoy the Christmas season and pray from Zach as he continues to recover from a recent infection that landed him in the hospital. He is home now and doing better. Praise the Lord!
