

"The greatest use of your words is prayer.
Talk to God about everything, all the time.
Maintain a running conversation."
-Rick Warren

Prayer requests from patients at clinic:

1. Please pray for the children in the Rescue Center for continued recovery, health, and the strengthening of their families through education, evangelism, and the power of prayer, so they can rejoin their families and have hope for a brighter future.
2. Please pray for O.D. who has sickness in his eyes.
3. Pray for G.B. who is from Cazale, but recently returned to Haiti from another country where she had been for almost a decade. Complications from diabetes and poor health caused her to return home. Pray her wounds would heal and we could properly educate her in management of her diabetes.
4. Pray for B.M. and T.G., two young ladies who recently professed faith in Christ. They request prayer that God would help them understand His Word and grow in faith.
5. F.F. request prayer as she is suffering from anemia and desires strength and recovery.
6. Please pray for a young lady named C.L. who is asking for prayer that God would transform her life.
7. J.B. is a young man who desires spiritual growth and asks for prayer that God's Spirit would enable him to stay strong in the faith and not waiver. Pray he holds fast to the truth.
8. Please pray for J and his continued recovery from foot surgery, for physical therapy to work well, and that he would regain full function of his foot.
9. Please pray for P.P.S.L. who is suffering from a-fib and is concerned about his heart and health.
10. Three ladies in our prenatal program requesting prayer for a safe delivery and a healthy baby. Please join us in prayer for B.A.Y., D.M., and M.S. and all of our mothers who the Lord is blessing with children in the coming weeks and months.

Prayer requests for our work:

11. Pray for continued progress for Phase 1 of land developing we call "Planting Hope." Please pray for God's continued provision to supply the resources and people with expertise we need to complete these projects that will strengthen our programs and services. Here are some thoughts from our staff physician, Briana, that explains one reason why she is so excited about "Planting Hope."
12. Please pray for our Haitian staff, that continue to show great commitment and deep devotion despite challenges here in Haiti. We are grateful to share life with such a wonderful team. We like to highlight them on our blog, here are two you can meet today, Caprice and his wife Jocelyne.
13. Please pray for the children in our foster care program called Homes of Hope. The majority of these children were abandoned at the clinic and were placed in local families over the years. Here is a recent blog post highlighting a sweet child in this program named Medjina.
14. Pray for us as we navigate and assist one of our chaplains who shows a desire to receive additional training at a Bible school in Port au Prince.
15. We are thankful for your prayers over the last several months regarding a shipment of critical supplies that were coming via the Denton Program run by the US Department of Defense. After several delays over security, we were able to receive 23 pallets of supplies at the Port au Prince airport, that many of you helped us collect, and transport them safely to Cazale where they are already making an impact. Your prayers worked! So let's offer up a prayer of thanksgiving!

Ways you can pray for our missionary staff:

17. Pray for our missionary kids as they finish up the school year next month. We are blessed with some very understanding, adaptive, and resilient kids! Pray the Lord would continue to guard their hearts, and we, as parents, would continue to be sensitive to their needs. Two big steps happening soon for Henley and Trey. Henley will finish his senior year of high school this Spring in Indiana and prepare for entering college in the Fall. Trey will be moving to the USA to finish his senior year of high school next Fall. A lot of change and growth for those two young men. We are proud of them and excited for what God has for their futures. Pray continued protection and clear direction as they navigate some big decisions.
18. Pray prayers of thanksgiving that our newest staff missionary, Katrina Reimer arrived safe and sound and is already hard at work, contributing to what God is doing in and through Real Hope for Haiti. We are grateful for her friendship and work ethic and look forward to growing in the future with her on our team!
19. We always appreciate your prayers for us and our physical/ mental/ and spiritual health. Some days are extremely difficult down here in Haiti, but we still got that pep in our step and that joy in our heart. We believe that is rooted in Christ and flows from the Spirit of God dwelling in us. We also believe God moves in us because He hears your prayers for us. We are so thankful!
20. Please pray that God would continue to guide and direct us and fill us with faith as we move into the future and develop new facilities and strengthen programs. God is doing something new, and gratefulness fills our hearts. We love you and feel loved by you! Be blessed!

Thankful that you, as brothers and sisters, pray for us, so don't forget to let us pray for you by emailing us at prayer@realhopeforhaiti.org.
