

"Prayer lays hold of God's plan and becomes the link between His will and its accomplishment on earth. Amazing things happen, and we are given the privilege of being the channels of the Holy Spirit's prayer."

-Elisabeth Elliot

## **Prayer requests for our work**

11. Please pray for the stability of the country of Haiti in light of the recent assassination of the President, Jovenel Moise. There is still much confusion and uncertainty. Pray for peace and the capacity to move forward together as a people and nation.
12. Pray for the newly appointed leaders of Haiti to lead the nation through mourning and recovering. They will need humility, wisdom, and courage to lead through this next season of Haiti's history.
13. Fuel shortages continue to plague the country and negatively impact supply lines. Pray we are able to secure the resources we need to not disrupt our services provided. Pray we have wisdom in prioritizing our needs.
14. Prayers were answered and another container containing building supplies is on its way to Haiti. Please pray it arrives safely and is able to clear customs without hassle and make it to Cazale to enable construction to continue as planned. Also, pray for continued protection of those working on the construction site and for God to continue to provide the funding to complete Planting Hope Phase 1.
15. Please pray for us as we attempt to coordinate shipping a large amount of supplies from MN and MO in the next few months. Lorraine has done a wonderful job securing critical supplies for supporting the clinic/ RC and we need to get those materials to Cazale to put them to great use!
16. Pray for wisdom in future building plans. Pray for all the components to come together that will enable us to deliver water up to the new land/ facilities. We have some great people working on this and are excited to see what the Lord is going to do.
17. Pray for our Haitian staff, who work incredibly hard under tough conditions, to continue to persevere in this work. The assassination of the president potentially plunged the nation of Haiti into increasingly difficult times, in a country that was already reeling. Pray for their encouragement and joy in Christ.

## **Ways you can pray for our missionary staff:**

18. Pray for the Betor's who will be traveling to the USA to set up Henley for his freshman year of college and Trey for his senior year of high school. This is a big transition for these two young men. Pray God gives them grace and wisdom in adjusting to life in the USA. Pray for their family and this season of change. Real Hope Academy and all their friends in Cazale will miss them greatly!
19. Pray for a couple of volunteers who are planning to serve at RHFH for an extended time of three months this Fall. Pray God prepared their hearts and teaches them much as they share life and serve the Lord and others here with us at RHFH.
20. Pray for Casey and Briana as they return to Haiti after a brief visit to the USA. Their children will remain with grandparents in the USA until Real Hope Academy resumes in September. Miss Anna was able to visit them while they were in the USA and it was a joy to be together again. Please pray the Lord would make a way for Miss Anna to return full time to RHFH this Fall as the best teacher around!
