because He always lives to intercede for them."**

-Hebrews 7:25

Prayers of Thanksgiving for 2021

1. Praise God for all those who participated in our Planting Hope campaign and for the growth we experienced as a result in 2021.
2. Praise God for those who came to Christ through RHFH's ministry and for discipleship that occurred, especially in our weekly Bible classes.
3. Praise God He delivered our Mennonite friends and fellow missionaries from being held captive! Hallelujah.
4. Praise God for His Provision, enabling us to secure the resources we needed despite insecurity and fuel shortages in the country. In a particularly challenging year, we are grateful that no programs were forced to be reduced or suspended.
5. Praise God for two of our missionary children having the chance to finish high school in the US (and one began university) and for all those who helped make that possible.
6. Praise God RHFH's founder entered peacefully in the presence of our Lord after an extended illness. God received much glory as we honored his life in the US and in Haiti. We are thankful for the community with which we are blessed to share life.
7. Praise God for His nearness. During a taxing and trying year, we sensed His Presence each step of the way. Grateful for each of your prayers! God heard them and answered them according to His Will, and we enjoy great peace and comfort as a result.

Prayers of Hope for 2022

8. Pray God continues to work in and through the RHFH staff missionaries, keeping us connected to the vine, so we are able to bear fruit that remains for His purposes. Pray God would grant us spiritual, emotional, and physical health so we can continue to give our strength to His work in Cazale.
9. Pray God gives us wisdom and discernment as all manner of critical patients and complex cases come through our gates seeking assistance and relief. Pray God would touch lives and change hearts as a result of the programs and services of RHFH.
10. Pray God would protect our staff as they travel in Haiti in troubling times. Pray God would continue to help us find the supplies required to meet the needs of those hurting that He sends our way.
11. Pray God would make a pathway for peaceful elections and an opportunity to move forward towards a more peaceful future as a nation for Haiti.
12. Pray God would assist us in planning and finishing the remaining building projects in our "Planting Hope" campaign. We are humbled that so many have participated in this focused effort, and believe God will help us bring it to completion in 2022.
13. Pray God would provide inspiration and direction to the RHFH board as they evaluate ministries and chart a course for the future of this important work.
14. Pray God would equip and empower RHFH to shine bright and point many towards Him and His saving grace during this exciting new year. Pray many hearts of stone become hearts of flesh. That many who are following the desires of their flesh this year will turn to Christ and follow Him. To God be the Glory, great things He hath done, and continues to do. What is impossible for us, is possible for God. Fill us with faith to believe, Lord God Almighty!
