## **Prayers for Our Work:**

- Continue to pray for peace and progress to return to the streets of Haiti, allowing elections to happen. Pray God would put the right person in leadership to provide direction and stability moving forward.
- Pray for a clear voice and a common purpose for local churches throughout Haiti, that they would continue to be a light in this dark time. Pray gang violence would cease, kidnappings would stop, and Haitians would be able to move forward to a brighter future.
- Giant, massive, Christ-exalting prayers of praise that all projected funding goals for our Planting Hope campaign were met in January. We are thankful for each of you who gave towards this opportunity to grow and serve more people. Pray contractors are able to secure materials and complete these projects in the first half of 2022. THANKS BE TO GOD FOREVER!
- Pray for some new support staff members that are working in our clinic. Pray they will orient well and contribute to what God is doing through our Haitian staff.
- Pray for us to connect with some MSPP members (Haitian Health Department) so they can help us in our planning and prepping for our new space we will move into once our Planting Hope projects are complete. We need these spaces to be authorized for use, and with the current security situation in the country, we have yet to be able to get anyone within MSPP to communicate with us, and we need to do so in order to move forward.
- Pray for some precious children in our Rescue Center whose bodies are fragile and need a touch for our merciful God in order to fully recover. Pray for our staff to have wisdom and clear communication coordinating their care and believing God for the best outcomes.
- Pray for shipping container full of medical supplies to be released from Customs here in Haiti and arrive in Cazale safely, to bless and serve our patients here.

## **Prayers for our Missionary Staff:**

- Pray prayers of Thanksgiving that after 15 months in the USA, our beloved teacher Deanna Newman, by the grace of God, was able to return here to Haiti full time and resume teaching our missionary kids in person in January 2022. The children and Anna were marvelous and flexible, as many have had to be in education these past couple years, doing what was required to teach/ learn from distance. We are grateful God's Providence allowed her to come back and share life with us here in Haiti!
- Pray for our newest staff missionary, Abigail Crowder, who committed to spend 2022 serving alongside us in Cazale. She assisted with Real Hope Academy last Fall, and this year will turn her focus to assisting Licia in the Rescue Center/ Homes of Hope programs. We are thankful for her love for God and love for people and are thankful she is partnering with us.
- Pray for God's continues provision and protection here in Haiti. Obstacle after obstacle continue to present themselves with the current political/ economic climate here in Haiti. God has made pathways for us to remained stocked with necessary medications/ food/ medika mamba/ fuel/ supplies necessary to do the work we do and maintain our programs. Despite seemingly endless complications, God has supplied our needs according to His riches and glory and kept us and our staff safe and secure as we travel to procure and transport necessary supplies. Our staff leaves Cazale with confidence when we have to because we sense the prayers of the saints, covering us and lifting us up before the Lord. We are every so grateful. Thank you! Keep them up. God is hearing them and answering them in magnificent ways.

And don't ever forget, we love to pray for you too. Please send your requests to [prayers@realhopeforhaiti.org](mailto:prayers@realhopeforhaiti.org). May Jesus be huge in your life!
