Prayers for our Work:

- Pray prayers of thanksgiving that a 45 foot container full of medical supplies arrived in Cazale to replenish our stock of many critical items.
- Prayers for continued protection for our staff and patients as they travel to and from the clinic/ RC during these unpredictable times here in Haiti.
- Pray for the security situation to stabilize here in Haiti that would allow for elections to take place and the country to move forward.
- Pray for several more shipping containers of supplies that are scheduled to be sent from MN to Cazale this Spring. Logistics are increasingly challenging due to supply chain issues/ drivers in the USA. Also pray prayers of thanksgiving that most of the shipping/ customs costs for these containers have already been provided. Praise be to God!
- Pray for continued movement forward for remaining the projects of Planting Hope. Pray the moving parts to come together and the CTC remodel and Garage/ Depot are completed in the Lord's timing.
- Pray the local churches in Haiti continue to be a bright light for Christ during these challenging times in Haiti.
- Pray the RHFH chaplains as they continue to minister to our patients and teach bible classes here in the community. Pray that they would be sensitive to the Spirit working and clear in the proclamation of the Gospel of Christ.
- Pray in the midst of difficult work that our staff would be encouraged and full of the joy of the Lord, that God would strengthen them to persevere in this important work.

Prayers for our Missionary Staff:

- Pray for Katrina Reimer, as her year long commitment to RHFH ends this month, and she will be returning to Canada to work as a nurse there. We are grateful for her hard work and dedication as our clinic's Director of Health Education and also our Pharmacy Coordinator. She has strengthened our organization in numerous ways and we are better for it. We will miss her, but are excited to see what God has for her future. Thank you Katrina!
- Pray for our newest staff member, Abigail Crowder, for her continued adjustment to life and ministry here in Haiti. Pray God would bless her efforts to learn the language. We appreciate her flexibility and willingness to serve in many roles. We are thankful for her deep love for God and the people of Haiti.
- Pray for Henley and Trey Betor as they finish up their respective school years in Indiana. Pray for Trey to have wisdom to follow where the Lord is leading after his high school graduation.
- Pray for Lorraine Zachary, to continue to be surrounded by loving friends and family, and to be comforted by our Lord as she continues to navigate life after Zach's homegoing to Heaven.
- Pray for all of our missionaries to continue to have every good gift they need to do all God wants them to do in and through Real Hope for Haiti. Pray for us to remain connected to Christ and that He would help us maintain our spiritual, emotional, and physical health.

And don't ever forget, we love to pray for you too. Please send your requests to prayer@realhopeforhaiti.org. May Jesus be huge in your life!
