

RHFH PRAYER REQUESTS

"Rejoice always, pray without ceasing, give thanks in all circumstances; for this is the will of God in Christ Jesus for you."

-1 Thessalonians 5:16-18

Prayer Requests of Patients:

- D.D. asks for prayer for healing from diabetes. Pray God strengthens her to manage her blood glucose levels well and be able to travel safely to clinic to get her medications.
- D.J asks for prayer as he is feeling very sick and trembling all over his body. Pray for our staff to diagnose and treat correctly and for him to recover quickly.
- B.M.D. asks for prayer as he cannot breathe well. Pray for resolution to these issues and restoration of health.
- V.M. asks for prayer that God would strengthen her as she is enduring a particularly difficult season of life.
- C.M. asks you join him in prayers of Thanksgiving for healing God delivered to his life. Praise the Lord!
- D.E. asks for healing from diabetes.
- L.E. ask for prayer that God would hold her, and that His presence would never leave her.
- L.C.F. asks for prayer for protection from attacks of the enemy and for the health of her spiritual life.
- V.M. asks for prayer that she would have the wisdom and courage to follow God's will for her life.
- W.A. asks for prayer to remain strong in her faith throughout the course of her life.

Prayers for our Work:

- Pray for additional containers of medical supplies that are currently making their way from MN to Cazale. Pray for safe travel and ability to navigate Haitian customs in order to haul these much needed supplies to Cazale and further strengthen our capacity to serve our patient population.
- Pray for continued protection for our staff as they travel, especially in and out of Port au Prince, to secure necessary supplies. The Lord has heard your prayers and been merciful thus far.
- Pray for those in charge in Haiti to demonstrate clear leadership, addressing security issues, kidnappings, food and fuel shortages, and setting dates for past due political elections. The country is stuck in a holding pattern, and people are suffering as a result. Leaders need to provide a clear and peaceful pathway forward.
- Pray for our Planting Hope building projects. After some months of delays, we have finally broken ground on our depot/ garage. We also have begun working with architects regarding our CTC redesign. Keep praying!
- Pray for our community of Cazale. There is a community water project that supplies water to the community that is over 40 years old. We are looking to partner with the local water committee to help with some necessary upgrades/ replacements.
- Pray for our staff, and our community at large. Higher fuel prices and supply chain issues that you may be experiencing in your country and hitting Haiti as well. Prices continue to increase and inflation continues to be a problem here. We need the Lord to make a way where there doesn't seem to be a way. We thank you for standing in the gap with us to help some of the most vulnerable in our area.

Prayers for our Missionary Staff:

- Pray for Katrina Reimer, one of our beloved foreign staff missionaries, who recently completed an extremely productive year for us here at Real Hope for Haiti. She is transitioning back to life in Canada. Pray prayers of thanksgiving that the Lord has provided a nursing job for her there already. Pray for her as she adjusts back to life in Canada. Pray the many seeds she planted, specifically in regards to health education, with our staff and patients, will bear fruit that remains for years to come. Pray we can work with her to find ways for her to stay connected to the work here and the people she loves. Thank you for all the energy and effort you poured into the people of Cazale Katrina!
- Pray for Casey Zachary as he has an opportunity to preach at a church in Port au Prince on Palm Sunday. Pray his message is clear and Jesus is magnified.
- Pray for Miss Anna as she continues to faithfully invest in our missionary kids through Real Hope Academy. Pray for her as she works towards wrapping up this school year, traveling to IN to celebrate another graduation (Trey!), and pray for vision as she begins to plan for next year.
- Pray for our newest foreign staff missionary, Abigail Crowder, that she continues acclimation to the culture and continue to acquire more and more language skills in Kreyol. Pray for her as she learns new responsibilities and God equips her to be an instrument of His grace to some sweet kids who need it.
- Pray for the Betors as they prepare for Trey's high school graduation and start of college. Pray for traveling mercies and sweet times celebrating Trey's hard work and accomplishments. Pray for some well deserved rest while the travel to the USA.
- Pray for Lori Moise as she spearheads several committees through our clinic to establish and update several protocols and attempt to establish increased collaboration with MSPP (Haitian Health Department). Also, pray for Charly Moise, as he will travel to visit some of his family in the USA for a short period.
- Pray for our entire staff, as many will be traveling in the months to come, and so pray we communicate clearly and delegate effectively to help cover for one another while away.

And don't ever forget, we love to pray for you too. Please send your requests to prayer@realhopeforhaiti.org. May Jesus be huge in your life!
