Prayers for our Work:

- Continue to pray for the country of Haiti as the security situation continues to deteriorate, particularly in Port au Prince. So much is imported into the country that the instability and gang activity caused severe disruptions to fuel and food availability. Pray that God will continue to provide the resources we need to continue to deliver our critical services.
- Pray for our staff as they are obligated to travel to Port au Prince to secure necessary supplies like medika mamba and medications used in clinic. Pray for their safety and for wisdom in each trip and circumstance.
- Pray for our board as they continue to dialogue and develop a strategic plan moving forward.
- Pray for our vehicles, that they would run well and function properly. We are in the middle of the rainy season and if you've been to Cazale, you know the Cazale road does not play games!
- Pray for RHFH's financial provision as we seek to maintain all of our programs and be a helpful resource to our community here in this very difficult time in Haiti's history. We want to be present and productive when the people of Haiti need us most. We feel that is an important part of our Christian witness here.

Prayers for our Missionary Staff:

- Pray for the Moise family, for Lori to have solid energy, health, and strength to maintain her pace and productivity of work at clinic. Also pray for Charly for healing in his knee.
- Pray for the Betor family as Trey's summer trip home is coming to an end and Licia, Ameyah, and Trey will be traveling to Indiana to get Trey situated at Ball State University for the Fall Semester of his Freshman yet. Great job Trey!
- Pray for Abigail as she returns to Haiti first week of August and will have an extra load with Licia being in the USA.
- Pray for Anna to continue to rest well with family in Alabama and continue gearing up for another stellar year at Real Hope Academy starting in September.
- Pray for the Zachary family as Casey and Briana will return to Haiti from furlough in the US in early August. Their kids will remain in WA for another month with cousins before returning to start their school year at Real Hope Academy in September.

And don't ever forget, we love to pray for you too. Please send your requests to prayer@realhopeforhaiti.org. May Jesus be huge in your life!
