

RHFH PRAYER REQUESTS

"Now to Him who is able to do exceedingly more than you can ask or imagine, according to His power that is at work in us, to Him be glory in the church and in Christ Jesus through all generations, forever and ever. Amen!" -Ephesians 3:20-21

Prayer Requests for Our Work:

- Please continue prayer for the people of Haiti. Fuel shortages persist. The currency remains unstable. Insecurity continues to be a problem, particularly in Port au Prince. The government announced a month delay in starting school to attempt to improve the situation. The population is growing increasingly frustrated.
- Pray for two young children recently abandoned at clinic. Pray we can locate their parents, or, if we are unable to do that, pray we can find a healthy, loving family in Cazale that can care for them in our Homes of Hope program.
- Please pray for the safety of our patients and staff as they travel to and from clinic. Especially pray for those staff members who are obligated to travel into Port au Prince to purchase and pick up supplies.
- Pray prayers of thanksgiving that our friends and Meds & Foods for Kids were able to grant us 25 boxes of medika mamba, in addition to what we purchased. As the number of children suffering malnutrition increases during this difficult season, we are grateful to have an abundant supply of medika mamba, which is key in their recovery and helps lead to better outcomes for these precious little ones who bear the image of God.
- Pray for the gardens of the patient population and communities we serve. The majority of people in our area subsist on producing crops to sell in market. Pray their harvest would be plentiful and that God would provide for their needs.
- Pray donors will respond willingly to our proposal to raise the monthly stipend for our Homes of Hope program families to help cover the increase in cost of living expenses due to inflation. We want to ensure we can give these families and children all they need to continue to thrive as they share life together.

Prayer Requests for Our Missionaries:

- Thank God that Abigail Crowder and Casey & Briana Zachary returned to Haiti safely after a summer furlough.
- Pray for our teacher Miss Anna, who will be returning to Haiti in early September, after spending the summer with her family. Pray for traveling mercies and for her to have the strength and wisdom as she begins another year at Real Hope Academy with our missionary children.
- Pray for the Betors and they are in Indiana, and their son Trey has begun his freshman year in university. Pray they enjoy special family time together, prior to Licia and Ameyah returning to Haiti in mid Sept.
- Pray for the Zachary kids who will be returning to Haiti in early Sept for safe travels and a strong start to their school year.
- Pray for the Moise family, that God would continue to bless them and keep them and cause His face to shine upon them.

And don't ever forget, we love to pray for you too. Please send your requests to prayer@realhopeforhaiti.org. May Jesus be huge in your life!
