Prayer Requests for Our Work:

- Please pray for Haiti. The situation is dire and quickly deteriorating, Fuel shortages, insecurity, systemic roadblocks in protest, non-functioning ports have ground the Haitian economy to a halt. This has serious impact on our organization and those we serve. Food is becoming increasingly scarce, as transporting goods has become all but impossible. Medika Mamba suspended production and cannot deliver product in country. Banks are closed, eliminating access to money. These are perilous times and we need your prayers.
- Pray for God to continue to supply us with the requisite medicine, foods, medika mamba, and other supplies we need to rise to the challenge the current crisis. Trust God with us to equip us with all we require for such a time as this, when those RHFH serves need us most.
- Pray for our staff and patients to have safe travels to and from clinic. Pray that God might fill them with faith and grant them courage.
- Pray for leaders in Haiti to step up and not shrink back and clearly communicate a pathway forward.
- Pray for the children of Haiti, that God would guard their hearts from additional pain and that they would not lose yet another school year.
- Pray for protection for our area in light of recent cholera outbreak elsewhere in Haiti.

Prayer Requests for Our Missionaries:

- Pray for us to be wise as we navigate the days and weeks ahead
- Pray for us to grow in our trust and dependence on God, as so many variables are out of our control.
- Pray for safety as we travel to secure supplies and transport them back to Cazale.
- Pray for favor and timely connections at the bank and pharmacies to ensure our functionality.
- Pray for discernment relating to evacuation plans and contingencies for our missionary kids/missionary staff.

And don't ever forget, we love to pray for you too. Please send your requests to prayer@realhopeforhaiti.org. May Jesus be huge in your life!
