Prayer Requests for Our Work:

- Pray for national leaders to emerge and communicate a clear plan moving forward.
- Pray for foreign countries and international organizations to have wisdom and provide necessary support to avoid famine and economic/ political/ security collapse here in Haiti.
- Pray for the safety, security, and resources necessary for Haitians caught in the middle, who are trying to care for their families in increasingly challenging times.
- Pray for bad actors in Haiti who are perpetrating chaos and confusion to be supernaturally transformed by the power of Christ. Pray they change their ways, gain understanding of the pain they are subjecting the population to, and turn away from evil.
- Pray for the Haitian National Police to work hard to maintain order, that God would supply them with all the wisdom and discernment and courage they need to carry out their duties in excruciatingly difficult times.
- Pray that ports would open, customs officials would begin processing again, fuel would be distributed again, so that goods can be delivered to a tired and hungry nation that has been paralyzed for the last 2 months.
- Pray for those suffering from cholera, that God might be merciful and near to them, strengthening them and causing treatments to work well and recover fully. Pray for the Haitian population to be diligent in taking precautions to prevent the spread of the disease.

Prayer Requests for Our Missionaries:

- We feel the prayers of the saints! We sense the nearness of God! Despite some of the current challenges, our team's hearts remain strong in Him. Thank you!
- Thank you for prayers for protection and provision. We did not have any significant security issues at RHFH or with any traveling staff. Several other organizations dealt with some of the effects of general lawlessness that has emerged in Haiti. We do not take this for granted and are grateful for your prayers and God's grace. Several areas of concern when it came to securing enough food/ medicine/ fuel/ money for payroll, yet God provided day by day and windows opened where we were able to get all we needed to maintain full strength during the month of October. God is amazing!
- Pray for us to continue to look to Jesus to supply all of our needs according to His riches in glory. Pray we remain humble and available to be used of Him as patients continue to flow through our gates.
- Pray for God to increase our internet capabilities. Our connectivity continues to be a hinder us from keeping you updated on our needs, current on web based required reporting, and our ability to monitor the ever-changing reality of the current crisis in Haiti.
- Pray for our team's protection and wisdom. Pray we maintain clear communication with one another in the middle of the stress and uncertainty of the daunting problems that present themselves daily.
- Pray that we would persevere and our witness for Christ in our community would be clear and bright and true.

We love you and feel loved by you! Thank you, friends! Please send your requests to prayer@realhopeforhaiti.org. May Jesus be huge in your life!
