

Thank you!

Proverbs 14:31 Whoever oppresses a poor man insults his Maker,  
but he who is generous to the needy honors Him.

Your generous gift to serve the poor honors Him. He has special blessings for those that hold the needy and weak close to their heart. Thank you for reaching out to aid the Haitian people through Real Hope For Haiti. We count your support a privilege and promise use your gift the best that we can to care for as many people as possible and to advance the kingdom of God.

In May, the malnourished children that stay with us for care in the Rescue Center and ICU were merged together into one building (under the guesthouse, beside the clinic). A fresh coat of paint and other improvements have made a cheery place for recovery and healing. In June, a team from Minnesota developed a new space into a fun play area for these same children. We are excited for all of you that have made this possible.

There were two surges of new cholera patients at the cholera treatment center (CTC) in May. Currently, the cases are down and things seem to be under control. We are grateful for the hard work of the RHFH staff as well as the Haitian health department (MSPP), the Red Cross, and others to provide education, care, and hygiene prevention items. Please pray with us that our supplies of IV fluids, medications, and cleaning supplies will be restocked this month so that we are ready to assist with future outbreaks.

Also, please be in prayer for safe travels, good rest, and fruitful labors for RHFH teams, volunteers, staff, and interns. June was a busy month of several teams. The current intern who has been working since Jan, Erica, left to go back to US to pursue her education. We are welcoming new interns which we are excited to be introducing you to soon. Casey and his family were on leave in Washington in June. Lori and Charles are still in Washington as Lori gets treatment for a recurrence of uterine cancer. Licia and her family will be in Indiana in July 12 - Aug 16. Zach will be in Indiana around this time too. Jody and Anna are also visiting family back home for the summer.

Thank you again for your generosity and kindness to the Haitian people. You are honoring God with your gift!

To God be ALL the Glory,  
RHFH team
