

REAL HOPE FOR HAITI
Hope in this life and the life to come

Thank you!

Dear Lori,

Thank you so much for your generous support to all those served at Real Hope For Haiti. Your kindness is touching hearts and showing love in marvelous ways. Here on the field, we see the impact of your gift and what it does in the lives of so many precious people.

These stories are such an encouragement to us and we have been looking to a better way to share them with you so you can be encouraged too. You are one of the first to receive this new type of thank you note that we hope will keep you better informed about how your donation is reaching those in need.

Please know that the patients and staff pray for you to have blessings and provisions for your life and home. Your sacrifice and compassion gives hope and life. Thank you for choosing to give to Real Hope For Haiti!

becuase I didn't have enough food to eat. They put me on the food box program and this has helped me so much becuae now I eat better and feel stronger. Thank you so much!" Your donations have helped us provide free medical care and food to the elderly.

when she was 44, she became a Christian and left that lifestyle behind. All of her old friends rejected her and she was persecuted because of her new faith and life. In the year that she has been a Christian, she has reached out to her church and us for prayer & encouragement. Living a life in obedience to God isn't always easy, but it has eternal rewards. Please pray for M.C. in her journey.
