Prayer Requests for Our Work:

- Pray for our annual board meeting being held in Anderson, IN on August 12th. Pray for clear communication and unified vision for the future.
- Pray for the protection of our staff as they travel throughout Haiti as kidnappings have increased recently.
- Pray for the international community who continues to seek a coalition of troops to help restore order in Haiti. Recently Kenya, Jamaica, and the Bahamas all pledged to put boots on the ground here for this.
- Pray that God would supernaturally move in the hearts and lives of those perpetrating violence in Haiti, whether it be through Christian witness, dreams from God or the Spirit convicting them to turn to Christ.
- Pray for the children of Haiti as they prepare to begin a new school year with an incredible amount of uncertainty about the future.
- Pray for several of our close missionary friends who were forced to evacuate last year due to violence and have had their mission compounds looted and their staff displaced throughout the country. If not for the grace of God, we would easily be in a similar position. Pray God grant them wisdom and discernment as they make decisions moving forward.
- Two prayers of praise to God are that a local population repaired the road well enough to allow us to bring medika mamba by truck instead of mule recently. In addition, we were able to purchase drums of both diesel and gasoline at the pump in Cabaret nearest Cazale for the first time in a year. Praise God!

Prayer Requests for Our Missionaries:

- Pray for Licia and Abigail as they work to implement some ideas they learned at a recent conference they attended in July. Your prayers for their time were answered as they learned much and made some fantastic connections.
- Pray for Lori as she is in Indiana with the Betor family for August.
- Pray for Lori and Licia as they travel to visit Katrina in Canada, and then continue on for a conference in CA with a supporting organization.
- Pray prayers of Thanksgiving God provided safe passage for Abigail, Briana, and Casey to return to Cazale safely at the end of July. They all enjoyed their break in the USA and feel encouraged and refreshed as they return to serving in Haiti.
- Pray for our teacher Anna as she maximizes time with her family and friends in Alabama and prepares to begin another school year at Real Hope Academy.
- Pray for continued guidance and safety from our Lord along with wisdom as they serve in Cazale. Pray God would continue to show Himself strong and draw their hearts to His own and His nearness would comfort them and His strength would empower them as they put their hands to the plough.

We love you and feel loved by you! Thank you, friends! Please send your requests to prayer@realhopeforhaiti.org. May Jesus be huge in your life!
