

ANNUAL REPORT 2023

REAL HOPE FOR HAITI

MISSION:

To deliver hope for this life and the life to come through compassionate medical care, quality health education, intensive malnutrition interventions, active community development, and Gospel focused outreach, all in the love and name of Jesus.

APPRECIATION:

We extend our profound gratitude to our cherished partners, whose steadfast collaboration has been the driving force behind the transformative impact we've achieved together, weaving a tapestry of hope and resilience in the vibrant communities of Haiti.

DETAILS

OUTCOME

Rescue Center

provides care for malnourished children

The Rescue Center cared for 127 severely malnourished children around the clock in its 45-bed facility, distributing 20,250 sacks of PlumpyNut (Medika Mamba) for life-saving treatment.

Clinic

delivers accessible and quality healthcare services

The clinic provided 20,172 consultations, including 1,901 prenatal visits. We supported 288 births, delivered emergency care to 430 individuals, performed 8,199 wound care dressing changes, and conducted 11,171 tests for 4,089 patients.

CTC

provides rapid cholera treatment

Our 34-bed facility treated 1,625 diarrhea patients, including 477 suspected cholera cases, using 3,649 liters of IV fluids and 9,829 liters of oral rehydration drink in their recovery.

Outreach

uplifts with the hope of Christ

Special prayers for 2634 and 8 received Christ. We helped 302 displaced persons, provided housing for 8 people, and sponsored 35 students.

IMPACT:

17755

heard Gospel

23027
