

PRAYERS UP!

"But when you pray, go into your room, close the door and pray to your Father, who is unseen. Then your Father, who sees what is done in secret, will reward you."

-Matthew 6:6

Prayer Requests of Patients:

- Pray for an RC patient named C. who was transferred to a larger medical facility for intervention, is currently on TB meds. We are waiting for her to make a turn toward recovery. Her dad's side of the family, who do not believe it is a physical sickness attacking her but a spiritual one, want to take her out of the hospital and take her to voodoo temple. Pray treatment would work, the parents would listen to counsel, and that this would be an opportunity for clear Gospel presentation.
- Pray for F.F. who wants God to help him find work to support his family.
- Pray for B.E. to be granted strength and courage to continue to advance in life and provide for herself.
- Pray for P.S. who asks prayer for God to deliver him from alcohol addiction.
- Pray for E.V. who needs prayer for relief of pain and other physical symptoms.
- Pray for M.A. as they are a recent follower of Christ. Pray God grant her discipline to walk in the ways of the Lord and honor Him with her life.
- Pray for M.V. who is blind and desires healing that he might see.
- Pray for A.C. to recover quickly from injuries from a moto accident.
- Pray for P.R. for his high blood pressure to be managed well and not give him complications.
- Pray for S.C. who asks for prayer that God would cover her with His grace because life is very difficult and scary right now.

Prayer Requests for Our Work:

- Pray for the international community attempting to put together a coalition of troops, led by 1,000 Kenyan police officers, to come conduct an operation to combat gang violence and return peace and stability to Haiti. There have been many obstacles along the way, and it appears the population of Haiti is waiting for it to happen. Pray leaders would lead and consider what is best for those hurting in Haiti.
- Pray for us to secure enough supplies to maintain our services. Reports that Haitian customs haven't released shipping containers in almost a month due to gang violence near the port. This is resulting in beginning to see a shortage of supplies, as we currently cannot find enough rice locally to support our programs.
- Pray for continued safety and favor as our staff travels through Haiti. We are thankful Licia and Charles made it safely to the airport in Cap Haitien to depart in mid Feb. However the day they flew out, and the day after our staff returned to Cazale with meds and medika mamba, the road was blocked, and roads through Mirabalais have been blocked since then as well. This is our only route to travel and to get supplies, and if this is also cut off, we will be seriously isolated in Cazale.
- Pray for us as we add a couple new board members in the first quarter of 2024. We are grateful for all who serve on our board of directors, appreciate their wise counsel and genuine support.
- Pray for two new nurses that will be beginning to work in the Rescue Center full time. Working with acutely malnourished children is challenging and complicated, so pray these nurses will build quality relationships with other staff and parents, and be used by God to help contribute to better outcomes and stronger families.
- Pray for us and our board as we continue to investigate projects to build a new clinic and rescue center. There are many variables involved, and the timing is hard to gauge, as this project would not be possible until Haiti stabilizes. We want to trust God through the process. Pray God fills us with faith.

Prayer Requests for Our Missionaries:

- Pray prayers of thanksgiving Licia made it back to her family in Indiana safely after an awesome month and a half in Cazale.
- Pray for Abigail as she looks into opportunities to continue her education that would give her additional tools to better serve those here in Haiti.
- Pray for the Zachary family, as they learn more about opportunities for their oldest child to begin some community college courses online through the Running Start program through WA state.
- Pray for Charly, as he visits his brother in Florida, that it would be a meaningful visit, and that God would make a pathway for him to arrive safely back in Cazale in early March.
- Pray for Anna, that she would have focus and direction in development of resources to share the Gospel more strategically with Haitian children and adults.
- Pray for our RHA students, as they continue to build their knowledge. Stable internet access opens many doors for them to maximize learning opportunities, so pray we can connect them to the right sources to facilitate that.
- Pray for all of our missionary staff to continue to labor to obey the commands of Jesus in the midst of their overwhelming daily responsibility. Pray God would saturate all we say and do with His love.

We are grateful for your prayers and would appreciate the opportunity to lift you up to the Lord during our Wednesday night devotions. Please send your requests to prayer@realhopeforhaiti.org.

May Jesus be huge in your life!
