## Patients

- Pray for healing for A.S. who fell out of a tree and broke his right arm.
- Pray for J.S.L. who senses an attack from Satan and desires deliverance.
- Pray for healing and recovery for J.R. who recently suffered a stroke.
- Pray for relief for J.A. who is enduring severe back pain.
- Pray for M.L.P. to be healed of chronic headaches.
- Pray for M.S.F. who is having issues with her skin with severe rashes.
- Pray for J.C.I. who is having trouble urinating and is causing intense pain and discomfort.
- Pray for A. who we are helping to get reconstructive surgery after a major injury.
- Thank you for your prayers for D.S. who recently got a feeding tube place in his stomach and has responded well, gaining much weight and looking as healthy and strong as we have ever seen him. Praise God!

## Our Work

- Unfortunately, the gangs burned portions of two additional hospitals in February, one in PAP and the other in Pierre Payen. Both were hospitals we frequently referred patients to in the past. It is increasingly disheartening to continue to see the damage ravaging Haiti, especially in the medical sector in which we are deeply involved. The options for referring patients elsewhere continues to dwindle, and we are working hard to find creative solutions and alternatives. Pray God would give us wisdom and favor along the way.
- Pray prayers of thanks that we have secured funding to purchase an x-ray machine to serve our community here. Pray for us as well as we attempt to complete the purchase and arrange the details for shipping and customs as well as transport and set up in Cazale.
- Pray for GVADK, our community development group that has been somewhat on hold due to the deep crisis in Haiti, but is working diligently to ramp up their projects and efforts once again.
- While RHFH does not directly depend on USAID funding, several projects that benefit our community do require that funding, such as meds for HIV patients. Pray clarity will come on what these impacts will have so that pivots can be made and needs can be met.

## Our Work

- Pray for our staff that continue to endure very challenging times. They handle a lot of complicated cases during the day, and then they have to navigate managing their homes and families. Pray for their hearts to be strengthened and encouraged by our Great God.

## Our Missionaries

- Pray for Charly and Lori in Cazale, to be filled with courage and faith for such a time as this, that they might not grow weary in well doing, and that God might bear much fruit through them.
- Pray for Licia who is visiting Cazale during February until early March. Licia brings much joy and love to the atmosphere at RHFH. She is a blessing and encouragement to many. Pray God uses her to spread a lot of love and provide comfort during her time in Cazale.
- Pray for Casey and Briana as they prepare supplies for returning to Cazale in March. They have enjoyed time with their children and the refreshment the Lord has provided and are anxious to get back shoulder to shoulder working with the people they love during their three week trip.
- Pray for Abigail as she works towards completing her first year of college in Indiana. Pray God would provide direction for her future and equip her with knowledge to go along with gifts He has given her to accomplish much for the Kingdom of God.
