- Pray for several patients who have suffered broken bones recently, that they would heal correctly. Also pray and thank God for our staff being able to find hospitals available to do surgery.
- Continue to pray for a young boy A. who is in the process of several corrective surgeries after a traumatic injury. Praise God with us for a successful first step in March, that he will heal well from that, and provide continued healing with another surgery soon.

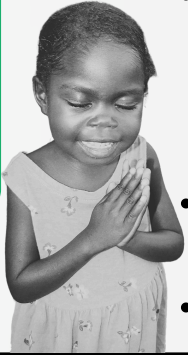

## Our Work

- Pray for national leaders here in Haiti, as well as world leaders, to communicate clearly and develop a viable plan to correct the security situation here in Haiti, hold elections, and move the country forward. Secretary of State Marco Rubio has a meeting with the current leader of the Presidential Council. Current leaders in Haiti we could lift up in prayer are the 9 members of the Presidential Council, current Prime Minister Alix Didier Fils-Aime, Haitian National Police Director Rameau Normil, as well as the leader of the Kenyan troops stationed here, Godfrey Otunge.
- Pray God would change the hearts of those perpetrating evil and bring them out of darkness into His marvelous light.
- Pray Real Hope for Haiti would be a strong and faithful witness for Christ in this difficult season. Pray we can be used as instruments of His grace in such a time as this.

## Our Work

- Pray local churches throughout Haiti would persevere and trust in Jesus for hope and strength. Pray that believers in Haiti would have the confidence to pray and not lose heart.
- Pray for new lithium batteries that have cleared customs in the north of Haiti, that they would arrive in Cazale safely, be installed correctly, and provide electric power for us for the next decade! Praise God!

- Pray for two of our chaplains that are finishing Bible School this Spring and will be graduating. Pray God would bless them as they have invested time and energy into study, and that it will result with much fruit for the Kingdom of God and the benefit of Real Hope for Haiti's patients and community.
- Pray for our medical professionals working at Real Hope for Haiti, to maintain focus and provide the best possible care to patients in very challenging times.
- Pray for our staff that put themselves at risk, leaving Cazale to secure supplies.

## Our Missionaries

- Pray for our missionaries to have wisdom and discernment to know what to do and when to do it. The Moise family, Betor Family, Zachary family, and Abigail as well.
- Pray they connect with Jesus in a way that helps them navigate through the millions of emotions, memories, obligations, responsibilities, and commitments they have to stay in the center of God's will and timing, to be full of faith and confidence, walking whatever steps He orders for them.
