

PRAYERS UP!

JUNE
2025

Patients

- A.A. requests prayer as she is suffering from hypertension and diabetes.
- A.B. asks for prayer as he is enduring a debilitating fever and desires relief.
- F.A.G. needs prayer for healing from chronic back pain.
- I.N. is having severe headaches and wants prayer for healing.
- R.R. is having severe stomach pains and would appreciate prayers for healing and resolution of her symptoms.
- V.E. cut her hand badly and is asking for prayer for pain relief, quick healing, and full recovery to resume her normal responsibilities.
- V.L. wants prayer for her heartburn and indigestion.
- Both D.D. and M.E. suffer from joint pain which inhibits their mobility. These men request prayer for relief of pain and an improved quality of life.
- D.S.L. has a persistently high fever and severe headaches, and he is asking for prayer that God might show mercy and heal him.

Our Work

- Pray for the schools in Cazale that have labored under extremely difficult circumstances to complete another school year in challenging times. Pray for those composing exams in hopes of completing graduation.
- Please pray for La Chapelle, a small town that we travelled through to get to the north of Haiti. It has been occupied by gangs for some months, but they recently ransacked and burned the police station there as well, setting the area back even further.
- Pray for wisdom and discernment for our staff as they travel and navigate tenuous situations, attempting to transport patients and gather supplies. Pray for protection and peace along the way.
- Pray for the clinic and RC staff as they continue to grow weary, laboring each day, with no end to the current chaotic season in sight. Pray for supernatural strength to persevere. Pray for the missionary staff to listen and lead them well.

Our Work

- Pray for one of our Haitian staff members who is returning to work after recovering from surgery. We are thankful God provided a solution for a hard diagnosis and made a way for treatment. Pray she is fully recovered and rejoins our team well.

- Pray for many patients that come to us with medical needs we cannot treat, needing services we do not offer. Pray for us to find larger regional facilities to refer them to and that God would continue to provide sufficient resources to allow us to follow through with diagnostics and treatments.

Our Missionaries

- Pray God's blessings on Enoch and Licia Betor, as they celebrate 25 years of marriage in June.
- Pray Casey has discernment, wisdom, and protection as he plans his next trip to Cazale, Lord willing.
- Pray for Charly and Lori as they plan a trip to the US for a board meeting, conference, and much deserved break from the intensity of Haiti.
- Pray for Briana as she continues to try to find answers to some health concerns.

"BUT GOD, BEING RICH IN MERCY, BECAUSE OF HIS GREAT LOVE WITH WHICH HE LOVED US, EVEN WHEN WE WERE DEAD IN OUR TRESPASSES, MADE US ALIVE TOGETHER WITH CHRIST-BY GRACE YOU HAVE BEEN SAVED." -EPHESIANS 2:4-5
