Our Work

- Thank you for praying for our annual Board Meeting that was held in Indiana on August 16th. It was a nourishing time of prayer, discussion, and encouragement. Please continue to pray for the board as they seek the Lord's will and guidance on the strategic plan moving forward. Despite Haiti's current difficulties, by God's grace and diligent work, this wonderful ministry will persevere for decades to come.
- Pray for Licia and Casey this Fall, as they will take advantage of their time away from Haiti to travel and speak at supporting churches, thanking God's people for their generous and faithful support.
- Pray for our staff, as they continue to work and live in a dangerous and unpredictable environment.
- Please pray for the leaders in Haiti, specifically the new leader of the 9 member presidential counsel, Laurent Saint-Cyr as well as newly appointed leader to the Haitian national police, Andre Jonas Vladimir Paraison.
- Please pray for our Haitian staff as they completed a three-part training for a mass casualty event. Despite these challenging times, we are working faithfully to help equip our staff, grow their knowledge, and prepare them as best we are able.

- Pray for another foreign missionary from Ireland named Gena who was kidnapped from a Catholic orphanage in Kenscoff, a suburb of Port au Prince, opposite us. Please pray for her safe release along with the others that were taken in this attack on the orphanage.
- Please pray for each child RHFH sponsors in local school as they are beginning to make uniforms, purchase books, and prepare for a new school year. Pray God's grace and growth would be abundant!

- Thank you for your prayers for Lori and Charly to depart Haiti and for Casey to enter Haiti safely. This was the first time we used this particular route from Cap Haitien to Cazale, due to the gang taking over Mirabalais, which was on the most recent route we took. The current route still has us traveling through a gang-controlled territory, however, we are riding on public buses who pay a fee to pass through. We are thankful there were no complications. Please pray for their return trips, as Casey will depart Haiti and Lori and Charly return in mid-September.
- Please pray for Lori and Licia as they travel to CA to meet with some partners there and present Real Hope for Haiti at a conference. Pray they would be encouraged, deepen partnerships, and bring much glory to God.
