

Our Vision: Physically, relationally, and spiritually healthy people contributing to thriving families and strong communities as God designed and desires.

# HOPE IN THIS LIFE AND THE LIFE TO COME

2025 ANNUAL IMPACT REPORT

## PROGRAM

## DETAILS

## OUTCOME

### Rescue Center

provides care for malnourished children

Intensive around-the-clock care was provided for **93** severely malnourished children and **10,350** sacks of Medika Mamba were given. We also served **2,876** pieces of chicken, **7,088** cups of rice, **157** cans of therapeutic milk, and consumed **5,432** gallons of treated water to ensure safe, consistent care.

### Clinic

delivers accessible healthcare services

The clinic provided **26,204** consultations, including **2,054** prenatal visits. We supported **2896** births, delivered emergency care to **575** individuals, performed **10,682** wound care dressing changes, provided outpatient malnutrition care to **851** children, and conducted **17,844** tests for **4727** patients.

### Hope Homes

provides family-based care for abandoned and at-risk children

Serving **26** children in **23** families, **110** home visits were conducted to support children and caregivers. The program also expanded by hiring one additional staff member, and two team members began university coursework in social work to strengthen the care provided to families.
