Our Work

- Pray for our patients who are currently in the process of being fitted for new prosthetics. We are using a new clinic we have not used before. Pray it provides these patients, including a Hope Homes child, to regain a better quality of life and mobility. Pray for those making the prosthetics to do quality work so they will last on the rough terrain and for the physical therapist to be able to help them be safe and gain confidence.
- Pray for our staff who will be traveling to Cap Haitien to get a much-needed resupply of medika mamba in early August. Pray for safe travels and the lifesaving product can get to Cazale to help support many children suffering malnutrition.

- Pray for our RHFH annual board meeting happening in Indiana on August 15th. We are grateful for those who serve on our board, for their energy and effort and deep love for the people of Haiti. Pray for awesome conversations, deepened unity, and fresh vision for the future as they prayerfully evaluate our current programs and work on the strategic plan for the future.
- Pray for the Gang Suppression Force that again added over a hundred soldiers from Sri Lanka recently and continue to expand their operations throughout Haiti. There are soldiers from several countries here offering support right now. I believe they are making a positive impact, pray it is a lasting one as well.
- Pray for the leadership in the country of Haiti. The current appointed Prime Minister is supposed to put together elections prior to the end of 2026. The US Ambassador just announced he is leaving Haiti, so that leaves a void there as well. Pray for a clear minded, God-fearing figure to emerge that can help lead Haiti forward to a better and brighter future.

- Please continue to pray for Licia Betor as she continues to recover from her surgery in May. God is hearing our prayers as she is feeling better and stronger each day. Pray God would continue to help her heal and be able to return fully to her many important responsibilities.
- Pray for Charly and Lori Moise as they travel to the US in August. Pray for safety and security as they travel to and from Cazale, that they are refreshed and rested prior to their return to Haiti.
- Pray for Casey as he remains in Haiti while Lori and Charly are gone before traveling back to the USA at the end of August to take his daughter Grace to college in San Diego. Pray for Grace as she steps out in faith and attends Point Loma Nazarene University to prepare to be used by God in her future. Pray for tremendous friendships and Christ-exalting service opportunities in her new environment.
